LONG WEEKEND MODE

Make the most of the long weekends in June - with two nights at the HERMITAGE! Get active with tennis, e-bike or SUP, then relax on the sunbathing lawn or explore the lake at a leisurely pace on a pedalo. Whether action or relaxation: it will be unforgettable.

BEACH CLUB OPENING - from May 26!

Lake it easy! Chill in the lounge, on the daybed or in a deckchair with cocktails, a cool rosé, delicious sharing dishes from the food truck and the sun on your face. And to cool off? Just take a dip in the lake!

GIN & DINE

Shake things up! First there's your favorite gin at the bar, then a 4-course menu from the chef - because a good basis is a must. And afterwards? A trip around the world in a glass of gin: our bar manager takes you on an exclusive tasting of hand-picked varieties from all over the world. Juniper has never been so exciting. Cheers!
